

LITTLE RIVER COMMUNITY FUND GRANT REQUEST GUIDELINES

Mission:

The mission of the Little River Community Fund is to financially support innovative projects that significantly enhance the quality of life in the Little River community through charitable, educational, religious and civic projects.

Who Can Apply?

The proposal should be from an organization which is exempt from federal income tax under Section 501 (C) (3). Units of government can apply for support of specific projects. Applications will be accepted only from those organizations or governmental units existing within the area last certificated as the territory for telephone service by Mutual Telephone Company.

What Grant Opportunities Will be Given Priority?

- Projects that seek to satisfy community needs not currently being met.
- Projects that encourage collaboration among organizations and/or government units.
- Projects that expand or improve the effectiveness of service provided by existing organizations or governmental units.
- Proposals that look to the Little River Community Fund for a matching component for a specific project.
- Projects that reflect the needs of the community as determined by periodic assessment surveys conducted by the Little River Community Fund Board of Directors.

The Little River Community Fund generally will not fund operation budgets for existing organizations.

Project Areas of Emphasis

The Little River Community Fund Board of Directors has sought input from the community through surveys and public meetings to ascertain what types of projects should be the focus of the Grant Program. Through this process, the Board has determined that priority will be given to projects addressing the following identified needs:

Housing

- Projects that seek to improve the availability of quality affordable housing in the community.
- Projects that provide for infrastructure for the development of new housing in the community.
- Projects that address the rehabilitation of substandard existing housing in the area.

Recreation

- Projects that address the recreational needs of the community that are currently inadequately served.
- Projects that expand recreational opportunities for the community.
